INSTRUCTIONS

The instructions are written for smallest size. If changes are necessary for larger size(s) the instructions will be written thus (.). Numbers for each size are shown in the same color throughout the pattern. When only one number is given in black, it applies to all sizes.

Note: Work all rnds from right to left. **Do not** turn at end of rnds. Cut first loop of yarn close to base to create a tail approximately 3" [7.5 cm] long.

BODY

Count **58** (**68-78**) loops for foundation round. Tie tail to yarn between **58th** (**68th-78th**) and **59th** (**69th-79th**) loops to create ring. Place ring on a flat surface with all loops pointing out to avoid twisting ring.

1st rnd: With yarn held in back, twist next loop once to left. Pull **59th** (**69th-79th**) loop from working yarn up through twisted loop. With yarn held in front, pull next loop from working yarn towards back through next st. *With yarn held in back, twist next loop once to left. Pull next loop from working yarn up through twisted loop. With yarn held in

front, pull next loop from working yarn towards back through next st. Rep from * around. **58 (68-78)** sts in rnd.

2nd rnd: *With yarn held in back, twist next loop once to left. Pull next loop from working yarn up through twisted loop. With yarn held in front, pull next loop from working yarn towards back through next st. Rep from * around.

3rd rnd: Pull first loop from working yarn up through first st of rnd. Pull next loop from working yarn up through next st of rnd. Continue in this manner to end of rnd.

Rep 3rd rnd until work from beg measures 21" [53.5 cm].

Divide for armholes: Place a safety pin between first and last sts of rnd. Place another safety pin between **29th (34th-39th)** and **30th (35th-40th)** sts of rnd. Working from right to left, pull **2nd (3rd-4th)** st to right of first safety pin over next st to bind off. Bind off next **3 (5-7)** sts in this manner. Remove safety pin.

Rep this on opposite side of Body. **50 (56-62)** sts remain. Leave these sts until Sleeves are complete.

SLEEVES

Cut first loop of yarn close to base to create a tail approximately 3" [7.5 cm] long. Count **12 (14-16)** loops for foundation round. Tie tail to yarn between **12th (14th-16th)** and **13th (15th-17th)** loops to create ring. Place ring on a flat surface with all loops pointing out to avoid twisting ring. **12 (14-16)** sts in rnd.

1st rnd: With yarn held in back, twist next loop once to left. Pull **13th (15th-17th)** loop from working yarn up through twisted loop. With yarn held in front, pull next loop from working yarn towards back through next st. *With yarn held in back, twist next loop once to left. Pull next loop from working yarn up through twisted loop. With yarn held in front, pull next loop from working yarn towards back through next st. Rep from * around.

2nd rnd: *With yarn held in back, twist next loop once to left. Pull next loop from working yarn up through twisted loop.

With yarn held in front, pull next loop from working yarn towards back through next st. Rep from * around.

3rd rnd: Pull first loop from working yarn up through first st of rnd. Pull next loop from working yarn up through next st of rnd. Continue in this manner to end of rnd.

4th rnd: Pull first 2 loops from working yarn up through first st. *Pull next loop from working yarn up through next st. Rep from * to last st. Pull next 2 loops from working yarn up through next st. 2 sts increased. **14 (16-18)** sts at end of rnd.

Sizes XS/S and L/XL only:

Rep 3rd and 4th rnds **4 (5)** times more. **22 (26)** sts in rnd.

Work **5 (22)** rnds even (as 3rd rnd.)

Size 2/3XL only:

Rep 4th rnd 6 times more, then rep 3rd rnd once. 30 sts in rnd.

All sizes: Place a safety between first and last sts of rnd. Pull **2nd (3rd-4th)** st to left of first safety pin over next st to bind off. Bind off next **3 (5-7)** sts in this manner.

Remove safety pin. **18 (20-24)** sts remain.

Joining Sleeves and Body

Join underarm seam of sleeve to body along bound off sections only. Place a safety pin between each transition between sleeve and body (see diagram). Place sweater on a flat surface, with all live sts facing up. **86 (96-110)** sts in rnd. 4 safety pins in position which will move up every rnd.

1st rnd: Beginning with first st of Left Sleeve, pull first loop from working yarn up through first st of rnd. Pull next loop from working yarn up through next st of rnd. Continue in this manner to end of rnd.

2nd rnd: Place next loop of rnd behind following loop creating a double loop – treat this double loop as 1 st. Pull next loop from working yarn up through double st – right leaning decrease made. *Work sts as usual until 2 sts before next safety pin. Hold next loop on top of following loop creating a double loop – treat this double loop as 1 st. Pull next loop from working yarn up through double loop – left

leaning decrease made. Work one right leaning decrease. Rep from * twice more. Work sts as usual until 2 sts before next safety pin. Work one left leaning decrease. 8 sts decreased. **78 (88-102)** sts remain.

Rep 2nd rnd **6 (7-9)** times more. **30 (32-30)** sts remain.

Collar: Proceed in rib pattern as follows:

1st rnd: *With yarn held in back, twist next loop once to left. Pull next loop from working yarn up through twisted loop. With yarn held in front, pull next loop from working yarn towards back through next st. Rep from * around.

Rep last rnd 5 times more.

Bind off rnd: Pull 2nd st through 1st st. Pull 3rd st through 2nd st. Pull 4th st through 3rd st. Continue in this manner to end of rnd. Cut last loop to create yarn 'tail'. Tie to secure and weave in ends.
