INSTRUCTIONS

FRONT

Notes:

- Work chart using Intarsia technique as follows: Wind small balls of the colors to be used, one for each separate area of color in the design. To change colors, wind the 2 colors around each other, where they meet on WS to avoid a hole. Always leave yarn hanging to WS of work.
- Color changing from a knit row to a purl row will create color bumps on the RS of the work, this is intentional to help create a woven look.

With MC, cast on 90 sts.

Work Chart to end of chart working MC in stocking st, reading knit rows from right to left and purl rows from left to right; and working Contrast A, B, C, D in reverse stocking st reading purl rows from right to left and knit rows from left to right (refer to symbols on Chart). Chart is shown on page 2.
Cast off.
