GAUGE
13 single crochets and 14 rows = 4 inches [10 centimeters].

Lily Sugar'n Cream

P.O. Box 40 Listowel ON N4W 3H3

## INSTRUCTIONS
Chain 26.

SLIP KNOT

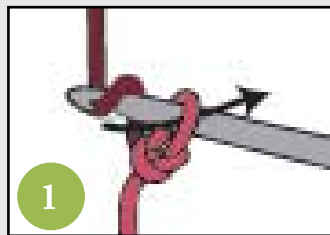

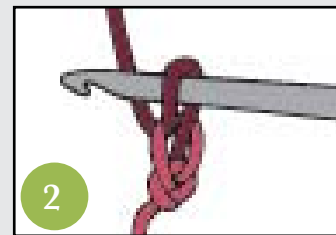

Make a loop, then hook another loop through it.

Tighten gently and slide the knot up to the hook.

CHAIN STITCH

Yarn over hook (yoh) and draw the yarn through to form a new loop without tightening up the previous one.

Repeat to form as many chains (ch) as required. Do not count the slip knot as a stitch.

1st row: 1 single crochet in 2nd chain from hook. 1 single crochet in each chain to end of chain. Turn. (You should have 25 single crochets at end of row.)
2nd row: Ch 1. 1 single crochet in each single crochet across row. Turn. (You should have 25 single crochets at end of row.)
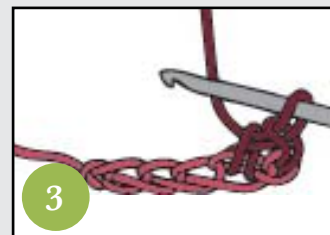

SINGLE CROCHET

Insert the hook into the work (2nd chain (ch) from hook on starting chain), *yarn over hook (yoh) and draw yarn through the work only.

Yarn over hook (yoh) again and draw the yarn through both loops on the hook.

1 single crochet (sc) made. Insert hook into next stitch: repeat (rep) from * in step 1.

Repeat last row until work from beginning measures 8 inches [20.5 centimeters].
Fasten off.

FASTEN OFF

Fasten off by cutting working yarn approx 6 inches [15 centimeters] long and draw this end through last loop. Pull tightly to secure.

Weave in ends.

WEAVING IN ENDS

Thread yarn through a blunt tip large eye needle and make small alternating stitches along the wrong side edge of your work. After you have worked about 2 inches [5 centimeters] in one direction, turn and work backwards alternating over the spaces you just worked. Now you can safely cut the end.
