**INSTRUCTIONS**

(Make 2 pieces alike)

With Main Color (MC), chain 26.

**SLIP KNOT**

1 Make a loop, then hook another loop through it.

2 Tighten gently and slide the knot up to the hook.

**CHAIN STITCH**

1 Yarn over hook (yoh) and draw the yarn through to form a new loop without tightening up the previous one.

2 Repeat to form as many chains (ch) as required. Do not count the slip knot as a stitch.

**1st row:** 1 single crochet in 2nd chain from hook. 1 single crochet in each chain to end of chain. Turn. (You should have 25 single crochets at end of row.)

**2nd row:** Chain 1. 1 single crochet in each single crochet across row. Turn. (You should have 25 single crochets at end of row.)

**SINGLE CROCHET**

1 Insert the hook into the work (2nd chain (ch) from hook on starting chain), \*yarn over hook (yoh) and draw yarn through the work only.

2 Yarn over hook (yoh) again and draw the yarn through both loops on the hook.

3 1 single crochet (sc) made. Insert hook into next stitch: repeat (rep) from \* in step 1.

Repeat last row until work from beginning measures 8 inches [20.5 centimeters].

Fasten off.

#### FASTEN OFF

Fasten off by cutting working yarn approx 6 inches [15 centimeters] long and draw this end through last loop. Pull tightly to secure.

Weave in ends.

#### WEAVING IN ENDS

Thread yarn through a blunt tip large eye needle and make small alternating stitches along the wrong side edge of your work. After you have worked about 2 inches [5 centimeters] in one direction, turn and work backwards alternating over the spaces you just worked. Now you can safely cut the end.

#### FINISHING

Fold Potholder in half. Join Color A with slip stitch at fold. Chain 1. *Working through both thicknesses*, 1 single crochet in each stitch to corner stitch. 3 single crochet in corner stitch. 1 single crochet in each stitch to next corner stitch. 3 single crochet in corner stitch. 1 single crochet in each stitch to fold. Fasten off.
